

# Midsummer Bridge Tournament 2013

The Bridge League of Finland  
organizes the second international  
bridge tournament 6.-9.6.2013.  
Welcome to see the midnight sun!

## Dear Friends of Bridge!

I am pleased to invite you to the 2nd international "Midsummer Bridge Tournament" in Tuusula, Finland. The encouraging feedback from the tournament last year was a catalyst to develop the tournament further. Only fifteen minutes drive from the Helsinki-Vantaa airport or half an hour drive from the Helsinki city centre, Onnela Inn offers an excellent environment for the tournament. In the surroundings of Lake Tuusula one can experience not only the astonishing midnight sun but also the National Romantic atmosphere of the Finnish artists' community which was founded and which flourished by the lake in the early 20th century. Bridge is the mainline event of the weekend. However, the schedule also offers you an opportunity for social life or for instance a round of golf between bridge playing events.

I warmly welcome bridge players from all over Europe to Finland!
