Dear Bridge-friends!

I am pleased to invite all players to the 1st international Midsummer Bridge-Tournament "Finlandia Open" in Tuusula, Finland.

Only 12 km from the Helsinki-Vantaa international airport and 28 km from the centre of Helsinki, Tuusula provides an excellent combination of Finnish nature and culture. In the surroundings of the Lake Tuusula one can experience, not only the astonishing Midnight Sun, but also the National Romantic atmosphere of the Finnish artists' community, which was founded by the lake in the early 20th century.

I hope to see players from all over the Europe here in Finland. We will provide a pleasant atmosphere and an experienced tournament directing.

Jarmo Laakso

The President of the Bridge League of Finland
