Bridge experience

2001 - today	Vice President and member of the board of Federazione Italiana Gioco Bridge
1980 - 1991	Member of the board of Federazione Italiana Gioco Bridge
Since 2003	Vice-chairman of the WBF Seniors Committee and Member of the EBL Seniors Committee

The two periods within the FIGB board have been characterized by a strong presence and an important proactivity due to significant growth rates of the Federal Life.

My role has been active in all relevant aspects, but primarily focused on the economic/financial and organizational/management issues. In several occasions, supporting the President Rona, I participated and proposed solutions for overcoming difficult situations and growth crises.

“Field” activity has not been neglected, either as player (two times Italian Seniors champion) and as captain of the national teams (Open, Juniors, Ladies). Since 2001 I am the chairman of the FIGB Seniors Committee and I created a lucky Seniors event, that, based on the Italian success, this year has been proposed at an European level.
