

EUROPEAN BRIDGE LEAGUE

To the Presidents
of the EBL Federations
November 19th 2010

Dear President,

NBO Officers' Seminar

As you are aware it is our usual practice to hold the NBO Officers' Seminar at the beginning of February in odd numbered years. Due to a number of circumstances it has not been feasible to organise an effective seminar for this coming February.

We consider these seminars to be a critical part of the work of the EBL agenda and do not wish to detract from their importance by staging this activity in a rushed or sub-standard manner. We have therefore decided to postpone the next seminar until February 2012.

We have a number of ideas as to how the next seminar will be arranged and wish to elicit input from the Federations to maximise the value of these occasions for our mutual benefit. We regret any inconvenience caused by this change to the schedule and we will contact you during the early part of next year with further details of our proposals and requesting your involvement.

Regards and best wishes,

Yves Aubry
President
