THE CHAIRMAN OF THE HONOUR COMMITTEE

Krzysztof Wójcik - The Mayor of Bytom

Dear Friends.

The sports bridge in Bytom has had the long - standing tradition.

The tradition has been enriched with the activity of local clubs and their members' numerous victories.

Therefore, with big pleasure, have I taken the patronage over

the Third International Team Tournament Of Cities Of

School Youth In Sports Bridge held in our city.

I am pleased that this discipline arouses young people's so great interest that as an educator, I perceive its educational value. Hours spent at the bridge table not only shape the ability to think strategically and precisely, but they also teach cooperation and allow us to know the taste of the shared victory. I am sure that the tournament will be a perfect opportunity to gain new experience, to make acquaintance and to arouse many emotions: as it was a year ago. I wish all participants interesting schedules, ambitions auctions and most of all have a good time.
